Subject: Welcome Back to the 2024-2025 School Year!

Dear Walter P. Carter Family,

Welcome Back to WPC for the 2024-2025 School Year! I hope this message finds you well and rejuvenated after the summer break. As we prepare to embark on the 2024-2025 school year, I wanted to extend a warm welcome back to our wonderful school community.

We are excited to welcome both new and returning students and families for what promises to be an inspiring and productive year. Our dedicated staff has been hard at work over the summer to prepare engaging curriculum and exciting opportunities that will support our students' academic and personal growth.

This year, we will continue to focus on excelling in academics, social-emotional learning, and family/community engagement. Our commitment to providing a nurturing and dynamic learning environment remains steadfast, and we are eager to work together with you to make this year a success.

In this packet, you will find resources that will help you prepare for an amazing school year. Please look through every page. We also encourage you to stay connected through Infinite Campus (Campus Portal), our school's Instagram (@wwpcem), our school's website (wwpcem.org), and Class Dojo for the latest updates.

Thank you for your ongoing support and dedication. Here's to a fantastic school year ahead!

Warm regards,

Joseph Eldridge
Principal
